Business Change.

This is to give sotice that I have disposed of my entire interest in the store recently owned by me on the corner of Water and Wood streets, to Mr. Herman Strasburger, who will continue the dry, fancy and farnishing goods business at the old stand. I cheerfully recommend him to all my old customers, well knowing his ability to please all who may favor him with their patronage.

All persons knowing themselves indebted to me will please call upon me at my old place of business and settle at the earliest practicable moment.
